PEERAGE TEA

This is one of the finest Eng. Breakfast teas obtainable, with a flavor in fact, unsurpassed.

Price, \$6.00 per case of five pounds.

REGENT TEA

This is a remarkably fine full flavored tea, a genuine "Russian Shipment." This tea is cultivated in the Ichang District of China from whence most of the famous teas shipped to Moscow and St. Petersburg come. Under the above name it is owned by us and obtainable no where else.

EXPOSITION TEA

This Eng. Breakfast takes its name from the fact that it was selected by the Board of Lady Managers of the New York State Building at Chicago without any solicitation whatever.

Price—By the chest of 60-70 lbs., 29 cts. per lb., less 5 per cent. discount, which virtually reduces it to less than 28 cts. per lb.; 20 lb. box, \$5.80; 10 lb. box, \$2.90.

CHARITY TEA

We have selected a good, wholesome tea, giving the choice of Eng. Breakfast, Ooloong, Mixed or Japan, and putting it up in 1 lb. packages for the purpose of distribution to poor and worthy people. No one appreciates a good cup of tea so much as a poor person who when purchasing the same has to pay 40 to 50 cts. per lb.

We likewise have the Barton & Guestier, Popelin, Plagniol and other oils at market rates.

VIRGINIA HAMS

We have the celebrated Todd's Smithfield Virginia Razor-back Hams, in their season.

Price, 25 cts. per lb.

These hams should be hung in a cool, dry place at least six months before using. They are in their prime when a year old.

TODD'S RECIPE

First, wash the ham well in warm water. Second, place in boiler with from 8 to 10 gallons of cold water. At the commencement of cooking, simmer very slowly for the first hour. Thereafter steadily and regularly boil until the ham is soft and well done.

A 10 lb. ham requires about 4 hours, others proportionately. Remove the skin while warm.

Royal Dutch Coffee

— ROASTED BY THE —

BEACH PROCESS

This is a method, secured by Letters-Patent No. 300,436, dated June 17, 1884, for removing the *Tannic Acid* from green coffee before roasting, making a stronger, smoother, richer and more fragrant beverage and one that can be drank by the most delicate without injury.

Does ordinary coffee make you bilious ?

Does it cause heartburn ?

Does it cause headache ?

If drank late at night, cause wakefulness ?

If so, *Tannic Acid* and the acids of vegetation are the cause.

These injurious qualities are removed by this process. Therefore, if you will use this delicious, rich and smooth coffee, you will have no discomforts.

ROYAL DUTCH COFFEE

(TRADE MARK)

Possesses the good qualities of the best coffees grown. Wherever introduced has received the highest commendation for every excellency from the very best judges, and was awarded First Prize Gold Medal at the New York State Food Exhibit, 1889.

For the protection of the consumer, Royal Dutch Coffee is packed and sold only in 1 and 2 lb. sealed packages and 2 lb. cans.
